

About the AUC:

The Alberta Underwater Council (AUC) is the representative body for underwater activities in the province of Alberta. These activities include underwater sports such as hockey & football and include scuba diving, snorkeling & even free diving.

Membership Benefits: Welcome Package & Newsletters, the "Diver Magazine" subscription at reduced rate, sport accident insurance & discounts at sanctioned AUC Events. The AUC represents and lobbies for our sport at all levels of government & encourages safe and responsible diving. The AUC continues to be active in issues affecting diver's right to dive, marine ecology, safety, legislation, conservation and public safety awareness and education. The AUC assists member clubs yearly to host events, clinics, tournaments, etc. See our website for more info on our programs & join today!

Divescapes '09 Keynote Speakers

Jill Heinerth: Canadian, Women Hall of Fame Explorer, Cave/Rebreather Instructor & award-winning Underwater Photographer. Best known as a pioneering technical diver, Jill combines a mastery of underwater technology with a formal Fine Arts degree to produce artistic documentation of the national environment, above, below & inside our planet. An award-winning filmmaker, Jill wrote, produced & appeared in "Water's Journey", the PBS documentary series that takes viewers on visceral travels thru the world's greatest water systems.

Jeffrey Gallant: A Canadian award-winning underwater photographer, videographer & author, he is also the co-director of "GEERG" Greenland Shark & Elasmobranch Education & Research Group in Quebec. In addition to his university prep level teaching he is the author of the annual DIVING ALMANAC—Book of Records published yearly establishing all the records & interest to the world diving community.

Mandy-Rae Cruickshank & Kirk Krack: this dynamic team travels the world as Free Diving Coaches, competitors & World record holders. Their special skills were used in the production of the **Oceanic Preservation Society** (OPS) first documentary film, *The Cove*, assisting the team in stealthily filming an annual dolphin massacre in a secret cove in Taiji, Japan, helping to make it a SUNDANCE Film Festival award winner!

Additional speakers, seminars & courses are being added to the program often, please see the AUC website or call for these updates!
